

**From M3**

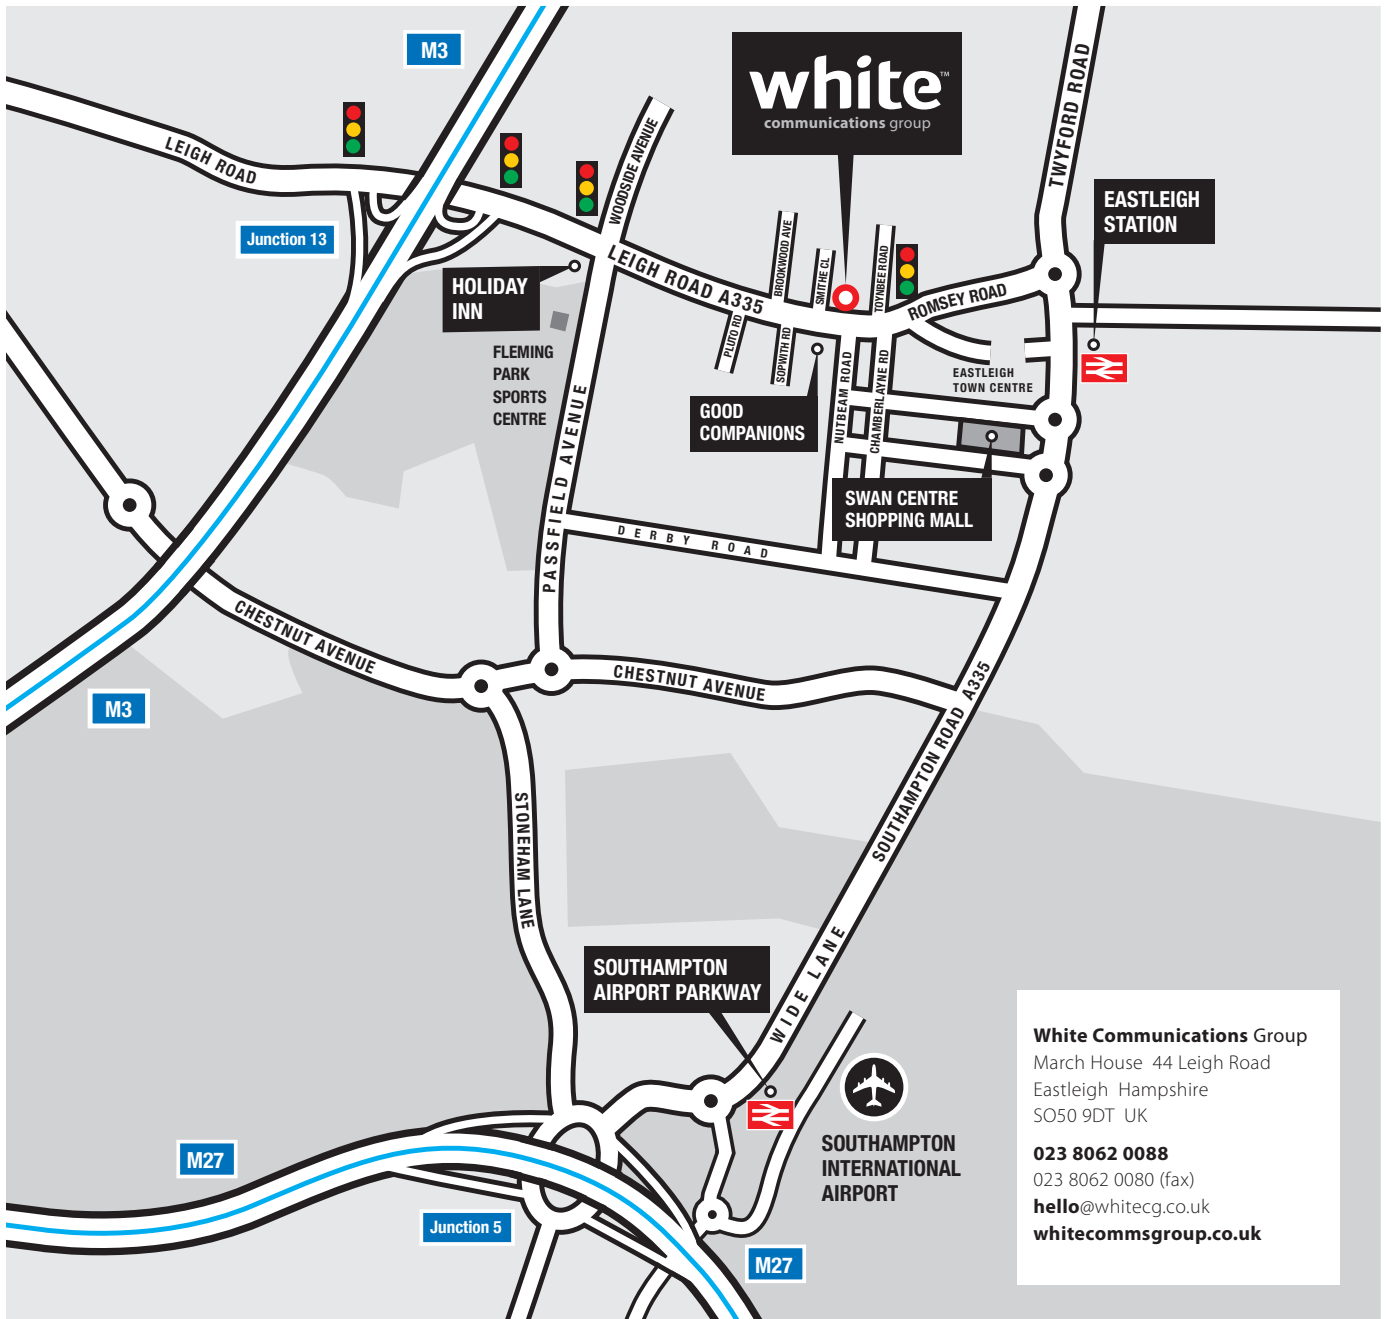

Leave the M3 at junction 13 and at bottom of the slip road turn right onto the A335 (Leigh Road). Continue along this road for approximately 1/2 mile, through a number of sets of traffic lights. The road then narrows from dual to single carriage way. Carry on for about another 1/2 mile and you will see the **White Communications Group** on your left (almost opposite the Good Companions Public House).

**From M27**

Leave M27 at junction 5 and take 3rd exit on roundabout signposted to Chandlers Ford/Eastleigh. At next roundabout turn right and then left at mini roundabout into Passfield Avenue. Continue on to the traffic lights (alongside Holiday Inn) and turn right onto the A335 (Leigh Road). **White Communications Group** is situated approximately 1/2 mile along on the left (almost opposite the Good Companions Public House).

**From Eastleigh Railway Station**

Eastleigh Railway Station is the nearest to the **White Communications Group** offices and approximately 10 minutes walk. On leaving the station cross the road and walk straight ahead into the centre of Eastleigh. Continue on, keeping the Sainsburys supermarket and then the park and The Point Theatre on your right. At the traffic lights continue straight on and **White Communications Group** is about 100m further on the right.
